**Re: DE 20-073; SUPPLEMENTAL PETITION OF PUBLIC SERVICE COMPANY OF  
NEW HAMPSHIRE D/B/A EVERSOURCE ENERGY FOR LICENSE TO CONSTRUCT  
AND MAINTAIN ELECTRIC LINES OVER AND ACROSS STATE OWNED LANDS  
IN GOFFSTOWN AND HOOKSETT, NEW HAMPSHIRE**

Dear Director Howland:

Enclosed for filing with the Commission please find Public Service Company of New Hampshire d/b/a Eversource Energy's supplemental petition in Docket 20-073. This supplement revises Paragraph 1 to include discussion of the lack of prior license for the two State owned land crossing spans that are the subject of this petition. The enclosed supplemental petition also changes the location reference in Paragraph 6(II) from Hooksett to Goffstown, consistent with its discussion elsewhere in the petition and the Exhibit 3 plan depicting said location. There are no other changes to the petition or Exhibits at this time.

Pursuant to the Commission's notice of March 17, 2020, this filing is only being provided by email.

Thank you for your assistance. Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Erik Newman".

Erik Newman
