**Re: Docket No. DW 20-080
Pennichuck East Utility, Inc. and Town of Salem
Wholesale Contract**

Dear Chairman Goldner:

By Order No. 26,545, issued November 9, 2021, in the above-captioned proceeding, (“Transfer Order”) the New Hampshire Public Utilities Commission (“PUC” or “Commission”) approved the transfer of a certain portion of Pennichuck East Utility, Inc.’s (“PEU”) service territory in Windham, New Hampshire to the Town of Salem (“Town” or “Salem”). A secondary matter discussed in the Transfer Order concerned the status of a potential wholesale contract for PEU to purchase water from the Town. The Commission directed Salem and PEU to report to the Commission within six months on the status of negotiations. The negotiations were successful and attached is the Water Supply Agreement between Salem and PEU, executed February 2022.

This letter is filed electronically only consistent with the Commission’s March 17, 2020 suspension of the requirement to file paper copies. Copies have been provided to the Office of Consumer Advocate and the service list.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Thomas B. Getz
