RE: Docket No. DE 20-XXX
Public Service Company of New Hampshire d/b/a Eversource Energy
2020 Transmission Cost Adjustment Mechanism

Dear Director Howland:

By Order No. 24,750 (May 25, 2007) in Docket No. DE 06-028, the Commission approved the use of a Transmission Cost Adjustment Mechanism (“TCAM”) rate by Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) for the recovery and reconciliation of costs related to transmission-related services. Consistent with how the TCAM is adjusted following Docket No. DE 18-089, the TCAM rate is to be adjusted on August 1 at the same time as adjustments are made to Eversource’s Energy Service and Stranded Cost Recovery Charge rates.

By this letter, Eversource hereby requests that the Commission open a docket for Eversource’s 2020 adjustment to its TCAM rate. In the near future, Eversource will submit its TCAM filing in a manner consistent with past practice. If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,
