On June 8, 2020, Resource Energy filed an update to their registration renewal, providing a list of other states they currently conduct business in.

Commission Staff filed a memorandum on June 16, 2020, in which it confirmed its review of the application and its conclusion that the application is complete. Staff recommended that Resource Energy's registration renewal application be approved for a two-year term, beginning on August 23, 2020, pursuant to Puc 2003.06(e)(1).

The renewed registration is for a term of two years and expires at the close of business on August 23, 2022. Pursuant to Puc 2003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before June 24, 2022.
