NEW HAMPSHIRE PUBLIC UTILITIES
Investigation into the Effects of the COVID-19 Emergency
on Utilities and Utility Customers

Abenaki Water Company
Filing Date: July 31, 2020

- 2) Provide the following data for each utility rate class:
- The number, and percentage, of customers who made partial or no payment in March, April, and May of 2019 and 2020.
 - The number, and percentage, of customers who made partial or no payment in March, April, and May of 2019 and 2020 and did not have an outstanding balance during the prior six months.

Response: UPDATED Response: Abenaki Water Company's billing software does not give us the ability to report the number or percentage of customers who made partial or no payments retroactively. The Company is currently working on investigating the most cost-effective way to track this information.

on Utilities and Utility Customers

Abenaki Water Company
Filing Date: July 31, 2020

- 5) Describe the Utility's review and evaluation of best practices and successful initiatives undertaken in other states.

Response: The Company has representatives that participate in the CT DPH and MA DEP weekly updates pertaining to COVID-19. These representatives also speak with other similar sized utilities to review best practices and feasibility of implementation. These best practices are reviewed and discussed in a team setting and implemented as necessary.
Further, the Company utilizes its consultants in obtaining best practice methods for review and implementation. (No updates to this response)

on Utilities and Utility Customers

Abenaki Water Company
Filing Date: July 31, 2020

- 6) Describe whether the Utility has updated its sales forecasts in light of the pandemic and its effects on the economy.

Response: UPDATED Response: The Company has not formally updated its forecasts. The Company's significant commercial customer that was previously shutdown has since re-opened but on a limited basis and with many of its amenities and restaurants still currently closed.

on Utilities and Utility Customers

Abenaki Water Company
Filing Date: July 31, 2020

7) Describe any operational changes the Utility is making or planning to make in response to the effects of the pandemic, including changes in budgets or personnel.

Response: No changes in personnel have been made. Budgetarily, reductions were made for available capital for capital expenditure work in an order to preserve cash given the uncertain economic forecast. Operationally, all non-essential work to be performed at a customer's residence has been put on hold. Our office has been closed to visitors and customers to reduce exposure to our employees. The Company requires its employees to wear face masks and gloves as necessary. (No updates to this response)
