Re: IR 20-089, New Hampshire Public Utilities  
Investigation into Effects of the COVID-19 Emergency on Utilities and Utility Customers  
Suspension of Provisions of Order No. 26,343 (March 31, 2020)

To the Parties:

On March 17, 2020, Governor Christopher T. Sununu issued Emergency Order #3, pursuant to Executive Order 2020-04, establishing a temporary moratorium on disconnection or discontinuation of service by providers of specified essential services. On March 31, the Commission issued Order No. 26,343, providing guidance to rate-regulated utilities and the New Hampshire Electric Cooperative on the implementation of Emergency Order #3. On June 30, Governor Sununu issued Emergency Order #58, terminating the moratorium on disconnection and discontinuance of service by certain providers and putting in place a process, which would permit rate-regulated utilities and the New Hampshire Electric Cooperative to resume collection and disconnection activities. Emergency Order #58 states:

Covered providers whose rates are regulated by the Public Utilities Commission ("Commission"), and the New Hampshire Electric Cooperative, may begin customer outreach immediately and shall offer payment arrangements, refrain from charging late fees, and begin normal collection activity and disconnections consistent with an agreement between a utility or utilities and the Commission's Consumer Services and External Affairs Division, subsequent order of the Commission, and/or rules adopted by the Commission pursuant to RSA 541-A. The Commission shall provide assistance and guidance to rate-regulated public utilities and the New Hampshire Electric Cooperative in implementing the provisions of this Order.

On September 10, 2020, Commission Staff (Staff) filed an agreement between the Commission's Consumer Services and External Affairs Division, most of the state's rate-regulated electric, gas, and water providers,<sup>1</sup> the New Hampshire Electric Cooperative, the Office of the Consumer Advocate, New Hampshire Legal Assistance, and LISTEN Community Services.

---

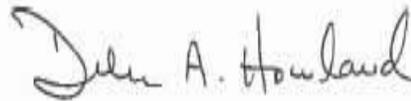

<sup>1</sup> The rate-regulated utilities that signed the agreement include: Public Service Company of New Hampshire d/b/a Eversource Energy; Unitil Energy Systems, Inc.; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities; Northern Utilities, Inc.; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities; Abenaki Water Company, Inc.; Aquarion Water Company of New Hampshire, Inc.; Hampstead Area Water Company, Inc.; Lakes Region Water Company, Inc.; Mill Brook Village Water System; Pennichuck East Utility, Inc.; Pennichuck Water Works, Inc.; Pittsfield Aqueduct Company, Inc.; and West Swanzey Water Company, Inc.

The agreement provides protections to customers regarding disconnections of service for non-payment, late payment fees, and payment plans for arrearages. The protections are tailored by industry and rate class. Additional protections are provided to residential customers who meet certain financial hardship criteria.

The Commission has reviewed the agreement and has found that the agreement fulfills the requirements of Emergency Order #58 for the providers that have signed the agreement.

Forest Edge Water Company, Inc., which serves 45 customers in Conway, has not entered into an agreement with the Consumer Services and External Affairs Division. Consequently, Forest Edge Water Company, Inc. remains prohibited by Emergency Order #58 from beginning collection activity or disconnecting customers for non-payment until such time as it enters into an agreement with the Consumer Services and External Affairs Division, or the Commission issues a further order or rules governing collection and disconnection activities.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland". The signature is written in a cursive style with a large initial 'D'.
