MOTION TO DISMISS DOCKET DW 20-090 WITH PREJUDICE

Hampstead Area Water Company, Inc. ("HAWC" or the "Company") respectfully moves the New Hampshire Public Utilities Commission (the "Commission") to grant a dismissal of the Company's "Petition to Approve Special Contract for Heritage Estates in Town of Atkinson" pursuant to NH. Admin Rules, Puc 203.07.

In support of this motion, HAWC states as follows:

- 1. HAWC filed a Petition to approve a special contract for this matter for a developer developing 7 single family homes in Atkinson, New Hampshire known as Heritage Estates pursuant to N.H. Admin. Rule Puc 1606 (the "Petition").
- 2. In its Petition, HAWC sought approval of the special contract to recover fees from the developer outside of its then current tariff, namely: (a) taxes that would be generated as a result of the Company accepting CIAC from the developer; and (b) to charge a one-time hookup fee of \$1,500.00.

- 3. Since filing this Petition, the PUC approved the Company's tariff revisions sought in docket DW 19-136 related to CIAC, obviating the need for such provisions in this Petition. In addition, the Company has decided it will no longer charge the developer of Heritage Estates any hookup fees.
- 4. As a result, the two bases for the current Petition in this docket are now moot.
- 5. Based on the foregoing, HAWC requests that the Commission grant this motion and dismiss docket DW 19-090, with prejudice.

WHEREFORE, Hampstead Area Water Company, Inc., respectfully requests the Commission grant this Motion and dismiss this Docket with prejudice.

Respectfully submitted,

HAMPSTEAD AREA WATER COMPANY, INC.
