**Re: Northern Utilities, Inc.
Docket No. DE 20-092; Compliance Tariffs**

Dear Chairman Goldner:

On February 10, 2022 in the above referenced proceeding, the New Hampshire Public Utilities Commission ("Commission") issued NHPUC Order No. 26,579. On February 24, HB 549 was signed into law, superseding NHPUC Order No. 26,579. In compliance with HB 549 directives, Northern Utilities, Inc. ("Northern") has prepared the following tariff pages for effect March 1, 2022, reflecting rates approved by NHPUC Order No. 26,303, dated October 29, 2019, in Docket No. 19-154. However, Northern is also filing tariff pages in compliance with the Commission's Order No. 26,581 in Docket No. DG 21-123, for effect March 1, 2022. Northern has combined all March 1, 2022 compliance tariff requirements into one document and is submitting the March 1, 2022 revisions in DG 21-123, today, under separate cover. For informational purposes the following tariff pages are attached:
