RE: Docket No. DE 20-095  
Public Service Company of New Hampshire d/b/a Eversource Energy  
Petition for Adjustment to Stranded Cost Recovery Charge

Dear Director Howland:

Enclosed for filing please find Public Service Company of New Hampshire d/b/a Eversource Energy's ("Eversource") Petition for an adjustment to its Stranded Cost Recovery Charge ("SCRC"). Included with this Petition are the testimony and attachments of Erica L. Menard supporting an adjustment to the SCRC.

By Order No. 26,387 (July 31, 2020) in Docket No. DE 20-095, Eversource is currently billing an average SCRC rate (excluding the RGGI rebate amount) of 1.112 cents per kilowatt-hour for customers in its residential Rate R class. This submission includes Eversource's current estimates for the SCRC rates applicable to each rate class consistent with 2015 Public Service Company of New Hampshire Restructuring and Rate Stabilization Agreement in Docket No. DE 14-238. Eversource is not requesting approval of any specific rates at this time, but will update its estimates with more recent data before a hearing on the merits. Thank you for your assistance with this matter. Please do not hesitate to contact me with any questions.

Very truly yours,

Matthew J. Fossum
