Hello

My name is James Zarta, I live at 60 orchard hill rd #1, Belmont NH.

In reference to the Abinaki water increase, I live alone in an 880 square foot condo, with one bathroom, no washer/dryer, no dishwasher. And I already pay an average of \$80 a month for water.

These places are entry level housing, they are not luxury condos, where people have 2nd homes and can afford outlandish water bills.

Literally one bathroom and a kitchen sink, and the water bill is already too much.

Please take into consideration the real people that another rate increase will effect.

Thank you

James Zarta
