Re: DW 20-112 Abenaki Water Company
Request of Change in Rates

On July 16, 2020 Abenaki Water Company ("AWC" or "Company") filed Notice of Intent to File Rate Schedules. The Commission issued an Acknowledgement Letter on the same day. Pursuant to PUC 1604.05 the rate schedules and full rate case filing were due September 14, 2020. The Company made its original rate filing on September 14, 2020. It also made filings on September 21, 2020 pertaining to tariff pages, rate case expenditures and temporary rates. In discussion with the PUC Staff, it was determined that the Company should request that the Notice of Intent and the rate filings be withdrawn and that a new Notice of Intent and a new rate filing be submitted. As such, AWC respectfully requests that the Notice of Intent and the rate filings be withdrawn and that the Commission leave open the docket so that the Company can refile new notice and new rate filing.
