Re: DW 20-112 Abenaki Water Co. – Request for Change in Rates

Dear Ms. Howland:

On behalf of Abenaki Water Co. ("AWC" or "Company") and its Lakeland ("LL") water and sewer system, White Rock ("WR") water system, Tioga Gilford Village ("TGV") water system and Tioga Belmont ("TB") water system, enclosed are the amended proposed tariff pages for LL Sewer, LL Water, WR, TGV & TB for both its permanent (pages 16-20) and temporary (pages 268-272) rate filings. Also, enclosed are amended rate calculation pages for TGV and TB for both its permanent (pages 11 & 13) and temporary rates (pages 265 and 267). In addition, the Company is providing a new proposed tariff page for the proposed consolidated rates. Finally, the Company is providing a new rate schedule for miscellaneous utility service fees. The new rate schedule for miscellaneous utility service fees is for the proposed consolidated tariff. In the event that the proposed consolidated rates are not approved, then such revised fees would be incorporated into each individual system's tariff. If the Commissioners and/or its Staff have any questions, please contact me at stephenpstcyr@yahoo.com or 207-423-0215.

Sincerely,

Stephen P. St. Cyr
