Re: Docket No. DW 20-112  
Abenaki Water Company, Inc.  
Compliance Tariffs

Dear Director Howland:

On May 18, 2021, by way of Order No. 26,482, the Commission authorized temporary rates for Abenaki Water Company, Inc.'s (Abenaki) water and sewer systems. On June 11, 2021, Abenaki made its compliance filing. Since that filing, it has come to Abenaki's attention that the Lakeland tariff for the Belmont customers incorrectly states on the rate sheet portion of the tariff that it is NHPUC No. 1 – Water when in fact Abenaki filed NHPUC No. 2 – Water on March 13, 2014. The June 11<sup>th</sup> filing perpetuated that error on tariff page 16. To correct this, Abenaki is filing the attached tariff pages.

Thank you in advance for your assistance with this filing. If you have any questions, please do not hesitate to contact me.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
