Re: DW 20-112 Abenaki Water Company, Inc.
Permanent Rate Proceeding
Retraction of Remote Hearing Attendance Request

Dear Chairwoman Martin:

On October 13, 2021, the Commission ordered that a hearing be held on November 2, 2021. Also on October 13th, the Commission issued hearing guidelines which noted that any requests to attend the November 2nd hearing remotely must be filed no later than 15 days before the hearing. That deadline is today.

On October 14, 2021, in order to meet today's deadline and preserve the possibility of attending the hearing remotely, the Company filed a request for remote attendance. Since that filing, however, the Company has determined that all of its witnesses will be available in person. Therefore, the Company withdraws its request for remote attendance.

Thank you for the Commission's consideration and especially the offer to accommodate persons interested in attending the hearing remotely.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
