Re: Docket No. DW 20-112
Abenaki Water Company, Inc.
Motion to Accept Late Compliance Tariffs

Dear Director Howland:

On May 18, 2021, by way of Order No. 26,482, the Commission authorized temporary rates for Abenaki Water Company, Inc.'s (Abenaki) water and sewer systems. In that order, the Commission also required Abenaki to file compliance tariffs within fifteen days of the order. That date has passed but Abenaki is filing its compliance tariffs today to cure that mistake. This instant filing is a motion to formally request that the Commission accept that tariff filing.

Thank you in advance for your assistance with this filing. If you have any questions, please do not hesitate to contact me.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
