RE: LOW INCOME ELECTRIC ASSISTANCE PROGRAM
Reporting Requirements
Docket No. DE 20-123

Dear Secretary Howland,

As required in the May 30, 2002 NHPUC Order 23,980 and the Electric Assistance Procedures Manuals, attached are the following monthly reports for April 2021 on Eversource's Electric Assistance Program (EAP):

1. EAP System Benefits Charge (SBC) Reconciliation.
2. Number of active EAP participants and participation levels by discount tier and discount amounts per tier; and,
3. Aging comparison between EAP and other residential accounts.

On May 4, 2021 the Program Administrator was provided customer billing and payment information via File Transfer Protocol (FTP) as required by the Procedures Manuals.

For the month of April 2021, Eversource expenses were \$29,923.12 above the Net SBC Funding. The net cumulative amount remitted by the New Hampshire State Treasury for program expenditures since inception stands at \$13,651,384.85.

Note: \$0.30 has been reduced from the expenses for this month to make up for an error in August 2020. The payment to the State of New Hampshire was for \$24,743.50 and it should have been \$24,743.20.

This report is being filed electronically with one paper copy being sent to the Commission.

Sincerely,

5/13/2021

X Theresa Washington
