Re: DM 20-125, Power Brokers, LLC
Application to Register as Provider of Natural Gas Aggregation Services

Dear Mr. Hardy:

On August 4, 2020, Power Brokers, LLC (Power Brokers) submitted an application to the Commission to register as a provider of natural gas aggregation services.

Commission Staff (Staff) filed a memorandum on August 10, 2020, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that Power Broker's registration application be approved for a two-year term.

The Commission has approved Staff's recommendation. Accordingly, Power Broker's application for registration is approved, effective as of August 10, 2020. The registration is for a term of two years and expires at the close of business on August 10, 2022. Pursuant to Puc 3003.06(a), Power Brokers must submit a renewal application at least 60 days prior to the expiration of the approved registration term, on or before June 11, 2022.

Please be aware that registered providers of natural gas aggregation services are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:
<http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
