Re: DM 20-132, Progressive Energy Consultants, LLC
Application to Renew Registration as Provider of Natural Gas Aggregation Services

Dear Ms. Guevara:

On August 18, 2020, Progressive Energy Consultants, LLC (Progressive) submitted an application to the Commission to renew its registration as a provider of natural gas aggregation services.

Commission Staff (Staff) filed a memorandum on August 21, 2020, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that Progressive's registration renewal application be approved for a two-year term, beginning on October 16, 2020.

The Commission has approved Staff's recommendation. Accordingly, Progressive's application for registration renewal is approved, effective as of October 16, 2020. The renewed registration is for a term of two years and expires at the close of business on October 16, 2022. Pursuant to Puc 3003.06(a), Progressive must submit the next renewal application at least 60 days prior to the expiration of the approved registration term, on or before August 17, 2022.

Please be aware that registered providers of natural gas aggregation services are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:
