Re: DM 20-140, Choose Energy, Inc.
Application to Renew Registration as Provider of Natural Gas Aggregation Services

Dear Ms. Cohn:

On August 27, 2020, Choose Energy, Inc. (Choose) submitted an application to the Commission to renew its registration as a provider of natural gas aggregation services.

Commission Staff (Staff) filed a memorandum on September 1, 2020, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that Choose's registration renewal application be approved for a two-year term, beginning on September 13, 2020.

The Commission has approved Staff's recommendation. Accordingly, Choose's application for registration renewal is approved, effective as of September 13, 2020. The renewed registration is for a term of two years and expires at the close of business on September 13, 2022. Pursuant to Puc 3003.06(a), Choose must submit the next renewal application at least 60 days prior to the expiration of the approved registration term, on or before July 15, 2022.

Please be aware that registered providers of natural gas aggregation services are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
