Debra A. Howland  
 Executive Director  
 New Hampshire Public Utilities Commission  
 21 South Fruit St., Suite 10  
 Concord, NH 03301-2429

Dear Ms. Howland:

**Re: DG 20-141; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty  
 2021 Summer Period Cost of Gas – July 2021 Monthly COG Adjustment**

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. (the “Company”) and in accordance with New Hampshire Public Utilities Commission (the “Commission”) Order No. 26,419 (October 30, 2020) in Docket No. DG 20-141, I enclose for filing the Company’s (July) calculation of its projected collection of gas costs for the 2021 summer season ending October 31, 2021.

The calculation reflects the estimated July 2021 NYMEX settled forward prices as of June 15, 2021. The resulting projected under collection of approximately \$1,551,446 is 16.13% of the total revised anticipated gas costs for the 2021 summer season.

The calculated COG rate is \$0.5051 per therm. Since the company has reached the maximum allowed COG rate, we are electing not to increase the COG rate effective July 1, 2021. The current Cost of Gas rates are listed in the table below.

**Cost of Gas Rates (\$ per therm)**

	<u>Filed Rates</u>	<u>Revised Rates</u>	<u>Change</u>
Residential	\$0.3935	\$0.3935	\$0.0000
Gas Assistance Plan Residential COG rate	\$0.3935	\$0.3935	\$0.0000
Commercial/Industrial High Winter Use	\$0.3886	\$0.3886	\$0.0000
Commercial/Industrial Low Winter Use	\$0.3999	\$0.3999	\$0.0000

Please note this report has been filed via the Commission’s Electronic Report Filing system.

Thank you for your attention to these matters. Please do not hesitate to call if you have any questions.

Sincerely,

Catherine A. McNamara
