

To whom it may concern,

Hello my name is Ben Gray. And I am opposed to the rate increase. When I moved to Litchfield 8 years ago one of the reasons we bought the house was because it had a well. Well now we are on city water due to somebody else's fault. And have an already high water bill to boot. I don't think it's fair to charge some towns more money than others. It should all be the same rate.

Thanks for your time,

Ben
