Concord, NH 03301-2429

Re: DE 20-161, Eversource Energy 202 Least Cost Integrated Resource
Plan, *DOE* Exhibits 16a and 17a

Dear Chairman Goldner:

Yesterday during Jay E. Dudley's testimony in the second day of hearing in the above referenced docket, Mr. Dudley identified a page that was missing from Attachment JED/RFW 7 in the *New Hampshire Department of Energy's Joint Testimony of Jay E. Dudley and Ronald Willoughby* (as filed on August 26, 2022). The joint testimony was filed in both public and confidential formats as Exhibit 16 and Exhibit 17 respectively.

The Commission granted the New Hampshire Department of Energy permission to file the missing page as Exhibit 16a and Exhibit 17a, and permission to bates stamp the page "301b" to permit its accurate location between bates stamped pages 301 and 302. Exhibit 16a and Exhibit 17a are attached hereto, as agreed.

Consistent with the Commission's current policy, this letter is being filed solely in electronic form. Thank you for your attention to this matter.

Respectfully Submitted,

/s/ *Mary E. Schwarzer*
