Re: ENGIE Resources LLC
Renewal Registration as Competitive Electric Supplier
DM 20-162

Dear Chairman Goldner,

The Department of Energy (DOE) has been processing the renewal registration of ENGIE Resources LLC as a competitive energy supplier for large commercial and commercial and industrial customers. As part of its review, the DOE has reviewed Bond No. K41835801 through Federal Insurance Company and the Rider for Bond No. K41835801. Bond No. K41835801 through Federal Insurance Company replaces and supersedes the previous bond for ENGIE Resources LLC that was Bond No. K13494836 through Westchester Fire Insurance Company. Since Bond No. K41835801 through Federal Insurance Company is replacing the previous bond, ENGIE Resources LLC has requested the return of Bond No. K13494836 and the Rider for Bond No. K13494836 dated December 10, 2020. Would you please provide the original Bond and Rider to Mr. Gary Cronin, Assistant Director of Consumer Services at the Department of Energy?

Thank you so much for your assistance, and please let me know if you have any questions or concerns.

Sincerely,

/s/ Molly M. Lynch
