Re: DM 20-174, Energy Edge Consulting, LLC
Application to Register as Provider of Natural Gas Aggregation Services

Dear Mr. Hobson:

On October 27, 2020, Energy Edge Consulting, LLC (Energy Edge) submitted an application to the Commission to register as a provider of natural gas aggregation services.

Commission Staff (Staff) filed a memorandum on November 3, 2020, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that Energy Edge's registration application be approved for a two-year term.

The Commission has approved Staff's recommendation. Accordingly, Energy Edge's application for registration is approved, effective as of November 3, 2020. The registration is for a term of two years and expires at the close of business on November 3, 2022. Pursuant to Puc 3003.06(a), Energy Edge must submit a renewal application at least 60 days prior to the expiration of the approved registration term, on or before September 4, 2022.

Please be aware that registered providers of natural gas aggregation services are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
