Remote Prehearing Viewing Request

Dear Chairwoman Martin:

A prehearing is scheduled for this docket on Wednesday, November 3, 2021. A Company representative and counsel will be in-person for this prehearing and technical session, however, others within the Company are interested in observing the prehearing, if possible.

Therefore, acknowledging that this request is coming just two days before the prehearing, the Company requests accommodation for remote observation of the prehearing. The reason for the remote request is that certain officers of the Company are traveling out of state yet would like to observe the prehearing. Also, the Company has in place a policy to limit, where possible, the frequency of its employees' work-related exposure to large groups. For these reasons, the Company respectfully requests that it be able to observe the prehearing remotely if the Commission is able to accommodate this request.

Thank you very much for your consideration of this request.

Very Truly Yours,
