Re: DW 20-176 – Pennichuck Water Works, Inc. - Petition to Expand Franchise
Proposed Procedural Schedule

Dear Chairman Goldner:

At the prehearing conference held on November 3rd in this matter, Pennichuck Water Works, Inc. (PWW) and the Department of Energy (the Department) (collectively the Parties) agreed to provide, in writing, a proposed procedural schedule for the Commission’s consideration. PWW and DOE propose the following:

November 24, 2021	Data Requests to PWW (Set 1)
December 8, 2021	PWW Responses due
December 14, 2021	Technical Session among the parties, 9 AM

As discussed at the prehearing conference, the Parties will also file an update with the Commission as to the status of this docket shortly after the proposed technical session.

The Parties contend that approval of this proposed procedural schedule is within the public interest as it provides a substantive framework for resolution of this docket. As such, the Parties respectfully request that the Commission approve the above-proposed procedural schedule.

Thank you in advance for your assistance with this filing.

Very Truly Yours,
Marcia A. Brown
