Re: Application for renewal of Aggregator status; DM 11-223

Dear Debra:

Enclosed is our application to renew as an Aggregator in New Hampshire. As per the requirements under the New Hampshire Code of Administrative Rules, we have followed the directions for renewal under Puc 2003.05. The information attached has the information as required by PUC 2006.02.

We apologize that we are 45 days rather than 60 days prior to the December 5, 2020 expiration of our current approval. We, like many, have been working mostly from home offices and inadvertently let the 60 day window pass us by.

Should you have any questions on our renewal application, please contact me at tucker@rjtenergy.com or via phone at 203 209-1920.

Thank you.
