Re: DT 20-179, Teleport Communications of America LLC
Waiver Request to Obtain Growth Numbering Resources in Rochester, NH

Dear Mr. Huttenhower:

On November 6, 2020, Teleport Communications of America LLC (TCAL) requested that the Commission grant a "safety valve" waiver of Somos, Inc.'s (Somos) October 27 2020 decision denying TCAL's request for two thousand-block number assignments in the Rochester, New Hampshire rate center.

Commission Staff (Staff) reviewed the filing and determined that sufficient and satisfactory numbering resources exist in the Rochester rate center to meet TCAL's requirements. In a memorandum filed on November 10, 2020, Staff recommended that the Commission notify Somos to assign numbers pursuant to TCAL's request.

Accordingly, the Commission has granted TCAL's request for a "safety valve" waiver, pursuant to its authority under 47 C.F.R. §52.15(g)(5). The Commission directs Somos to assign two thousand-blocks of numbers in the Rochester rate center to TCAL to meet its requirements.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
