

**STATE OF NEW HAMPSHIRE
PUBLIC UTILITIES COMMISSION**

IR 20-192

NEW HAMPSHIRE RENEWABLE ENERGY INDUSTRY

**Investigation into the Effects of the COVID-19 Emergency
on the Renewable Energy Industry**

ORDER OF NOTICE

On March 13, 2020, Governor Christopher T. Sununu, pursuant to his authority under Part II, Article 41 of the New Hampshire Constitution and RSA 4:45 and 4:47 (State of Emergency), issued Executive Order 2020-04 declaring a State of Emergency due to the COVID-19 pandemic. The Governor issued subsequent executive orders extending the State of Emergency, most recently Executive Order 2020-21 on October 30, 2020. At this time, the Governor has not issued any emergency orders concerning the renewable energy industry, which the Commission does not regulate. There are, however, multiple interfaces between the Commission and the renewable energy industry, such as: the Renewable Portfolio Standard; the Renewable Energy Fund; the Clean Energy Fund; net energy metering; and implementation of the federal Public Utility Regulatory Policies Act. The Commission therefore is initiating this investigation into the effects of the COVID-19 pandemic on renewable energy industry participants and stakeholders operating in New Hampshire.

The primary purpose of this investigation will be to gather information from renewable energy industry participants, including data regarding the effects of the COVID-19 pandemic on renewable energy companies doing business in New Hampshire.

The Commission will conduct a public comment hearing on January 8, 2021 at 9:00 am. Renewable energy companies, renewable energy trade associations, renewable energy lobbyists,

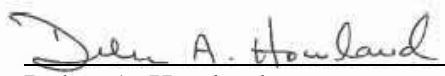

and other renewable energy industry representatives doing business in New Hampshire are invited to participate in the hearing. Each participant may have an attorney represent the participant at the participant's own expense. This order of notice and any subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at www.puc.nh.gov.

Based upon the foregoing, it is hereby

ORDERED, that the Executive Director shall publish this order of notice on the Commission's website, and shall send it by electronic mail to the service list for Docket DE 10-024, no later than one business day after the date of issue; and it is

FURTHER ORDERED, that, consistent with Governor Christopher T. Sununu's Emergency Order #12, the Commission will hold a web-enabled remote public comment hearing on January 8, 2021 at 9:00 a.m. Members of the public who wish to access the public comment hearing may do so [by clicking here](#). **If you have any difficulty obtaining access to this remote event, please notify the Commission by calling (603) 271-2431 as soon as possible.**

By order of the Public Utilities Commission of New Hampshire this fourth day of December, 2020.

Debra A. Howland
