Re: DM 20-202, Dynamis Energy, LLC
Application to Register as Provider of Natural Gas Aggregation Services

Dear Ms. Castro:

On December 28, 2020, Dynamis Energy, LLC (Dynamis) submitted an application to the Commission to register as a provider of natural gas aggregation services.

Commission Staff (Staff) filed a memorandum on January 4, 2021, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that Dynamis's registration application be approved for a two-year term.

The Commission has approved Staff's recommendation. Accordingly, Dynamis's application for registration is approved, effective as of January 4, 2021. The registration is for a term of two years and expires at the close of business on January 4, 2023. Pursuant to Puc 3003.06(a), Dynamis must submit a renewal application at least 60 days prior to the expiration of the approved registration term, on or before November 5, 2022.

Please be aware that registered providers of natural gas aggregation services are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
