**Re: Docket No. DE 21-029
Public Service Company of New Hampshire d/b/a Eversource Energy
Petition for Approval of Change in Regulatory Reconciliation Adjustment
Mechanism**

Dear Chair Goldner:

On July 30, 2021, the New Hampshire Public Utilities Commission (the "Commission") issued Order No. 26,503 approving the costs in Public Service Company of New Hampshire d/b/a Eversource Energy's (the "Company") Regulatory Reconciliation Adjustment ("RRA") for inclusion in rates. However, the Commission's Order also found that the record was not sufficient to permit recovery of vegetation management costs in the RRA at that time; the Commission held this docket open for additional filings to resolve issues concerning vegetation management costs. Order No. 26,503, at 4. On December 15, 2021, the Company submitted a petition for approval of change in the RRA to allow for an adjustment pertaining to its vegetation management costs. The Company's filing inadvertently omitted Attachments MPB/ELM/JAU-1 and MPB/ELM/JAU-2 in support of the petition. Enclosed for filing please find an updated version of the Company's December 15, 2021 filing to include these attachments. No other changes to the filing have been made.

Please contact me if you have any questions. Thank you for your attention to this filing.

Sincerely,

Jessica Buno Ralston
