Energy Response to Liberty's Motion to Suspend; LSR Text Now Public

Dear Chair Goldner:

On December 27, 2021, the Department of Energy (Energy) filed its *Response to Liberty's Motion to Suspend*. In that motion, Energy explained that the LSR at issue, LSR 22-2878, had yet to be made public.

I am writing to inform the Public Utilities Commission that LSR 22-2878's text was made public yesterday as Senate Bill 424-FN *AN ACT relative to renewable energy and natural gas*. The bill is attached hereto and is also available at the following link.

Respectfully Submitted,
