Re: DW 22-029 Pennichuck Water Works, Inc.  
Petition for Approval of Special Contract with Town of Hudson  
Proposed Settlement Agreement Filing Date

Dear Chairman Goldner:

Pennichuck Water Works, Inc. (PWW) and the Department of Energy (DOE) met in a technical session on October 6, 2022. This technical session was the last element of the procedural schedule approved by the Commission on September 15, 2022. PWW and DOE have determined that proceeding with a settlement agreement is appropriate and they would like to inform the Commission that they intend to file the settlement agreement on or before November 10, 2022. To the extent the Commission considers this settlement filing date to warrant approval as a procedural schedule, PWW and DOE request the Commission approve the filing date.

Thank you in advance for your assistance with this matter.

Very Truly Yours,
