Program Year 2022

Dear Chair Goldner:

Attached for filing with the Commission is New Hampshire Electric Cooperative's (NHEC) revised performance incentive calculation relating to the NHSaves Energy Efficiency Programs for program year 2022. NHEC discovered a formula error on lines 4 and 8 on page 5 that has been corrected, which impacted Pages 5 and 6 of this filing.

Please contact me if there are any questions regarding this filing, consistent with current Commission policy this filing is being made electronically only; paper copies will not follow.

Very truly yours,

Carol Woods
Energy Solutions Executive
