(Renewable Portfolio Standard, Default Service Electric Power, Cost of Gas)
Methodology and Process
March 17, 2023 NHPUC Record Requests**

Request 1-13:

Utilities are requested to provide metrics from the past five years on customer migration from their default service.

Response:

Please see IR Request 1-13 Attachments 1 and 2 for a five year history of customer migration data. Attachment 1 shows the number of customers by class served by competitive suppliers, the total number of customers by class, and the percentage of customers on competitive supply. Attachment 2 shows the kWh sales by class as served by competitive suppliers, the total kWh sales by class, and the percentage of kWh sales served by competitive suppliers.

Response: Jeffrey Pentz
