Re: DW 22-085 Pennichuck Water Works, Inc.  
Petition for Special Contract with Merrimack Village District  
Clarification of Contract Term Dates

Dear Chairman Goldner:

On December 16, 2022, Pennichuck Water Works, Inc. (PWW) filed a petition and accompanying documents in support of approval of a special contract with the Merrimack Village District. The Commission commenced this docket and approved a procedural schedule that includes discovery among the parties.

During discovery, it has become apparent to PWW that references to dates in its petition, pre-filed direct testimony of Mr. Donald Ware, and the proposed special contract needed to be corrected or clarified. To that end, attached are track-change and clean versions of the revised petition, testimony, and proposed contract. The revisions also clarify what components will be included in the usage credit. Therefore, so as to clarify for the Commission's record how the components of the proposed special contact are to work, PWW has attached track-change versions of these documents.

Thank you for your assistance with this filing. PWW apologizes for any confusion the originally-filed documents may have caused.

Very Truly Yours,

A handwritten signature in cursive script that reads "Marcia A. Brown".
