Re: Request for Approval of Town of Londonderry Community Choice Aggregation Plan

Dear Chairman Goldner,

Please find included with this cover letter the Londonderry Community Choice Aggregation Plan (the "Plan") for review and approval by the Commission pursuant to RSA 53-E.

On October 17, 2022, Londonderry's Town Council voted to establish a Municipal Aggregation Committee to create an electric aggregation plan for the town. A plan was developed by the town's Energy Aggregation Committee ("Committee") in consultation with Freedom Energy Logistics and Colonial Power Group, Inc. As further described in the Plan, the Committee held two public hearings on the Plan, one on May 20, 2024, and the second on June 29, 2024. The Town Council adopted the final Plan on July 15, 2024.

Pursuant to the notification requirements of Puc 2203.01, the following individuals will be key contacts in support of Londonderry's Plan:

1) Primary Energy Aggregation Committee Contact:

Lynn Wiles, Committee Chair
Town of Londonderry
268B Mammoth Road
Londonderry, NH 03053
lwiles@tolboards.org
(603) 560-5595

2) Municipal Liaison for the Committee:

Michael Malaguti, Town Manager
Town of Londonderry
268B Mammoth Road
Londonderry, NH 03053
mmalaguti@londonderrynh.org
(603) 432-1100 x151

- 3) Designee authorized to request information from Eversource and NH Electric Coop ("NHEC"), and to access and administer Londonderry's program and rate information on the Department of Energy's electricity shopping website:

Stuart Ormsbee
Colonial Power Group
5 Mount Royal Ave, Suite 5-350
Marlborough, MA 01752
sormsbee@colonialpowergroup.com
(508) 769-0880

Londonderry has not yet developed a dedicated website for its program. The town will notify the Commission of the new program URL once created.

The town acknowledges Puc 2200 rules and will implement its Plan in accordance with all applicable requirements. The town takes notice of certain rule requirements as follows:

- 1) The town acknowledges the notification requirements set out in Puc 2204.04 and Puc 2205.06. Consistent with those requirements, the town will provide written notice to the Commission and all other parties stipulated in each subsection: (a) prior to enrollment of any consumers in the program, and (b) prior to a termination of the program, each within the required minimum time frames, as applicable.
- 2) The town also acknowledges the following notification requirements and tasks pursuant to Puc 2204.05. The town shall:
 - a. input for posting the rates and services information applicable for the shopping comparison website hosted by the Department of Energy and update such information when applicable;
 - b. provide a mailing to all retail electric customers located within the town and hold a public information meeting within 15 days thereafter; and
 - c. mail an opt-out notice to all consumers eligible to participate in the town's program and provide such consumers, with a timeframe of no less than 30 days from the date of mailing, to opt-out of the program.

The program intends to utilize utility consolidated billing service. The town will confirm its intentions as part of its notification and other communications with Eversource and NHEC in advance of the program's supplier submitting consumer enrollment requests.

Please let me know if you have any questions or concerns.

Regards,

Michael Malaguti
Town Manager, Town of Londonderry
