Re: DE 25-013 Request for Approval of Laconia Community Power Electric Aggregation Plan

Dear Mr. Beattie:

This letter serves as an acknowledgment of City of Laconia's filing. Please reference the docket number cited above on any additional material that is filed in this matter.

Please file all material intended to become part of the record directly with the Commission. The Commission is a separate and independent agency from the New Hampshire Department of Energy, so that the Commission does not have access to the Department of Energy's files. All filings should comply with the Commission's procedural rules, which were revised effective January 24, 2025, and are available at <https://www.puc.nh.gov/Regulatory/Rules/puc200-adopted-rule.pdf>

Any information requiring confidential treatment must be filed separately from non-confidential information and clearly identified as confidential. To obtain confidential treatment and to correctly format confidential information, see Puc 203.12 or Puc 203.09, as applicable.

Parties may elect to submit any filing electronically, provided electronic filings are in searchable portable document format (pdf) and searchable Excel format. See N.H. Admin. R., Puc 203.03(b). Filings received by the Commission during its business hours of 8:00 a.m. to 4:30 p.m. will be considered filed on that day. *Id.*, Puc 203.03(e), Puc 203.08. Filings received after 4:30 p.m. will be deemed filed on the next business day.

Sincerely,

A handwritten signature in black ink that reads "Daniel C. Goldner".
