Procedural Order Re: Request for Hybrid Hearing

The Commission scheduled an in person hearing on January 14, 2022. On December 30, 2021, Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) filed a request for a hybrid hearing format due to safety concerns, given rising COVID-19 infections, and to save travel costs for out-of-state witnesses.

No objections to Eversource's request were filed, and good reason for a hybrid hearing format has been provided. To the extent that New Hampshire Code of Administrative Rules, Puc 203.07(e) provides 10 days for objections, it is hereby waived. Therefore, a hybrid hearing format will be used for the January 14, 2022 hearing. Those who wish to participate in or observe the hearing remotely via the web may obtain access through the Commission's hearing calendar at <https://www.puc.nh.gov/Regulatory/Calendar-Remote.html>.

When a hybrid hearing is held, remote participation is not limited to the requestors; all participants are welcome to participate remotely. However, consistent with the hearing guidelines previously issued in the above-captioned dockets, it is

requested that other participants advise the Commission in advance as to whether they intend to participate remotely or in person.

So ordered, this fifth day of January, 2022.
