

**STATE OF NEW HAMPSHIRE
PUBLIC UTILITIES COMMISSION**

DE 19-197

ELECTRIC AND NATURAL GAS UTILITIES

Development of a Statewide, Multi-Use Online Energy Data Platform

Procedural Order Re: Motion for Remote Participation

On August 23, 2022, the Commission issued a procedural order scheduling a status conference on October 6, 2022, that will be conducted using a hybrid format. It permitted two individuals to appear remotely at the October 6 status conference. On August 29, 2022, Unitil Energy Systems, Inc. (UES) and Northern Utilities, Inc. (Northern) filed a motion for remote participation at the October 6 status conference by Unitil staff member Jeremy Hayes, who has been involved in the development of the statewide, multi-use online energy data platform, but has underlying health conditions that put him at greater risk of contracting the COVID-19 virus if he attends the status conference in person.

UES and Northern have provided good reason for Mr. Hayes to appear remotely at the October 6 status conference. Therefore, their motion is GRANTED.

So ordered, this twentieth day of September, 2022.
