**PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE
d/b/a EVERSOURCE ENERGY**

2020 Least Cost Integrated Resource Plan

Procedural Order Re: Request for Extension of Deadline for Record Request Responses

On March 10, 2023, the Commission directed Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) to file responses to record requests by March 17, 2023. Eversource now requests that the Commission extend this deadline to March 21, 2023. Eversource contends such an extension is necessary because key personnel responsible for preparing the responses will be occupied this week responding to predicted severe winter weather. The Commission finds this request reasonable. Accordingly, Eversource's request is GRANTED, and Eversource is directed to file responses to the record requests by March 21, 2023.

So ordered, this fourteenth day of March, 2023.
