2020 Least Cost Integrated Resource Plan

Procedural Order Re: Second Request to Extend Deadline

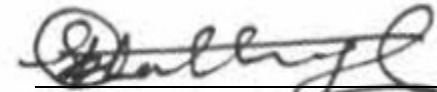

The Commission issued a procedural order on June 23, 2023 granting the New Hampshire Department of Energy's (DOE) request to extend the June 26, 2023 deadline for filing reply briefs to June 30, 2023. Clean Energy New Hampshire (CENH) filed a request on June 26, 2023 to similarly extend the June 26 deadline for all parties to this docket, noting that the Office of the Consumer Advocate objected.

Given the short amount of time remaining before the June 26 deadline, the Commission waives the ten-day objection period in New Hampshire Code of Administrative Rules, Puc 203.07(e). The Commission GRANTS CENH's request for a brief extension, so that all parties, including the OCA, shall have until June 30, 2023 to file reply briefs. See N.H. Admin. R., Puc 202.04.

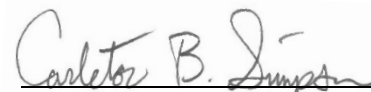

So ordered, this twenty-sixth day of June, 2023.

Daniel C. Goldner
