Procedural Order Re: Hearing Schedule

On December 30, 2021, the Commission issued a procedural order granting Conservation Law Foundation's and Clean Energy New Hampshire's joint request to establish a witness schedule for each of the four January 2022 hearing dates. To provide a framework for any witness schedules which may be developed and to ensure that hearing time is allocated fairly, the Commission has established the following hearing schedule:

Wednesday, January 19, 2022: The Commission will hear testimony and allow questions regarding Unital Energy Systems, Inc.'s proposal;

Thursday, January 20, 2022: The Commission will hear testimony and allow questions regarding Public Service Company of New Hampshire d/b/a Eversource Energy's proposal;

Tuesday, January 25, 2022: The Commission will hear testimony and allow questions regarding Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty's proposal; and

Friday, January 28, 2022: The final day of hearings will be used for a wrap-up on all proposals.

So ordered, this sixth day of January, 2022.
