AQUARION WATER COMPANY OF NEW HAMPSHIRE

Procedural Order Re: Request for Extension of Deadlines

On March 31, 2022, Aquarion Water Company of New Hampshire (the Company), on behalf of Abenaki Water Company (Abenaki), which it acquired in December 2021, filed a request to extend the deadlines for filing Abenaki's annual reports until May 31, 2022. See N.H. Admin. Rs., Puc 609.04 and 708.07. The Company stated that additional time was required to file Abenaki's annual reports, because its auditing firm had misunderstood the deadline to be at the end of May based on the extension of deadlines granted last year. The Company represented that the New Hampshire Department of Energy did not object to its request for extension.

The Company's request for extension of the deadlines for filing Abenaki's annual reports is GRANTED pursuant to New Hampshire Code of Administrative Rules, Puc 202.04. The Company shall file these reports on or before Tuesday, May 31, 2022.

So ordered, this first day of April, 2022.
