UNITIL ENERGY SYSTEMS, INC.

Annual Major Storm Cost Reserve Fund Report 2020

Procedural Order Re: Motion to Enlarge Time

The Commission issued a procedural order on November 24, 2021 in the above-captioned matter requiring the New Hampshire Department of Energy (Energy) and any interested parties to object to, or request additional time to investigate, Unitil Energy Systems, Inc.'s (Unitil) 2020 Major Storm Cost Reserve Fund (MSCRF) Report by December 28, 2021. On December 23, 2021, Energy filed a motion, assented to by Unitil, requesting additional time to complete its investigation and issue its report regarding the 2020 MSCRF Report. Energy stated that it anticipated its investigation would be completed by April 30, 2022, with a final report to be filed thereafter. Energy maintained that denial of its request would cause undue hardship.

Energy's motion has been GRANTED. *See* N.H. Admin. R., Puc 202.04. Energy and any interested parties shall file their responses to Unitil's 2020 MSCRF Report by Wednesday, June 1, 2022.

So ordered, this twenty-ninth day of December, 2021.
