**Procedural Order Re: Request for Hybrid Hearing**

The Commission scheduled an in person hearing on January 13, 2022 on the issue of Public Service Company of New Hampshire d/b/a Eversource Energy's (Eversource) recovery of approximately \$1.6 million in renewable energy certificates. Order No. 26,550 at 3 (November 12, 2021). On December 17, 2021, Eversource filed a request for a hybrid hearing format on the grounds that multiple witnesses would be traveling from out of state for this hearing and there was a pre-existing health condition to be accommodated.

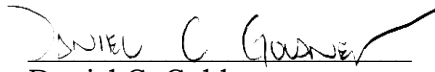

No objections to Eversource's request were filed, and good reason for a hybrid hearing format has been provided. Therefore, a hybrid hearing format will be used for the January 13, 2022 hearing. Those who wish to participate in or observe the hearing remotely via the web may obtain access through the Commission's hearing calendar at <https://www.puc.nh.gov/Regulatory/Calendar-Remote.html>.

When a hybrid hearing is held, remote participation is not limited to the requestors; all participants are welcome to participate remotely. However, consistent with the hearing guidelines previously issued in this docket,<sup>1</sup> it is requested that other participants advise the Commission in advance as to whether they intend to participate remotely or in person.
