**Procedural Order Re: Proposed Procedural Schedule and Recommendations**

On June 7, 2022, the Commission issued Order No. 26,636, in which it requested the New Hampshire Department of Energy (DOE), after working with stakeholders, to submit a proposed procedural schedule to the Commission for implementation of the Clean Energy Fund with respect to the programs approved in Order No. 26,577 (February 4, 2022). The Commission also requested the DOE to file recommendations regarding the future inclusion of a low-moderate income program for Public Service Company of New Hampshire d/b/a Eversource Energy's (Eversource) residential customers (funded at \$750,000) and a financing program for Eversource's commercial and industrial customers (funded at \$1.6 million). See Order No. 26,636 at 2-3.

As of today's date, the DOE has not filed the requested proposed procedural schedule or recommendations. Therefore, the DOE is requested to file a proposed procedural schedule and its recommendations on or before August 31, 2022.

So ordered, this first day of August, 2022.
