**Petition for Approval of Miscellaneous Utility Service Fees**

**Procedural Order Re: Request to Withdraw Petition**

On March 31, 2022, following the prehearing conference held in the above-captioned docket, Pennichuck Water Works, Inc. (PWW), Pennichuck East Utility, Inc. (PEU), and Pittsfield Aqueduct Company, Inc. (PAC) (collectively, the Companies) filed a letter requesting permission to withdraw their January 18, 2022 joint petition and proposed tariffs without prejudice, with the understanding that each Company could refile the requests contained in the petition when it files its general rate case schedules, beginning with PWW, which anticipates filing later this year. The Companies represented that the New Hampshire Department of Energy and the Office of the Consumer Advocate concur with this request.

Accordingly, the Companies' request has been GRANTED, and their January 18 petition is dismissed without prejudice. PWW, PEU, and PAC may refile the requests for relief contained in the January 18 petition in the future as part of their respective general rate cases. However, permission for the Companies to do so does not constitute pre-approval of the relief to be requested. This docket is now closed.

So ordered, this twenty-first day of April, 2022.
