**Petition for Approval of Financing Under the New Hampshire
Drinking Water State Revolving Loan Fund**

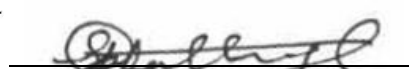

Procedural Order Re: Recommendation Deadline

On May 26, 2022, Pennichuck Water Works, Inc. (PWW) filed a petition for approval of financing. It filed an amendment to its petition on June 3, 2022, in which it requested the Commission to issue an order *nisi* by September 15, 2022. Before it can make a determination regarding PWW's petition, however, the Commission requires the New Hampshire Department of Energy (DOE) to file its analysis and recommendation for the Commission's review. Accordingly, the DOE shall file its analysis and recommendation with the Commission on or before Friday, July 22, 2022. In the absence of substantive analysis and a recommendation from the DOE by that date, a hearing on the merits of the petition will be scheduled to ensure adequate process.
