Procedural Order Re: Deadline Extension

On August 9, 2023, the New Hampshire Department of Energy (DOE) filed a request to extend the deadline for filing exhibits contained in the Commission-approved procedural schedule from August 10, 2023 to August 23, 2023. This extension would make the deadline for filing exhibits in the Commission-approved procedural schedule consistent with the Commission-issued hearing guidelines letter. The Commission GRANTS the DOE's request.

So ordered, this twenty-eighth day of August, 2023.
